PRINCIPAL

As we reflect on another remarkable year at Warwick Academy, we were very proud to celebrate our successful reaccreditation with the Council of International Schools (CIS) in March. This achievement underscores our commitment to excellence and continuous improvement. Integral to this process were our various wellbeing projects with the Zen Den offering proactive care and the top field's play areas providing innovative outdoor activities. In addition, enhancing staff wellbeing, redesigning the Secondary Wellbeing curriculum, improving belonging and using Jenny Moseley's Golden Rules have all created a supportive environment at Warwick Academy. This year, the classroom focus was on #highqualitylearning, with teachers honing their skills for better educational outcomes.

This year marked the opening of the Hunter Pavilion on our sports fields, a fantastic addition that brings numerous benefits to our school, becoming a hub for sports, events and gatherings.

As part of our commitment to sustainability and our status as an Eco-Schools Green Flag school, we started to remove plastic cutlery from lunches, and introduced titanium Sporks; we have also created a new outdoor learning space in our Woodland Crescent which is being transformed into a haven for native and endemic plants while creating pathways to explore and clearings to teach in.

Throughout the year we enjoyed wonderful music concerts, drama productions, marine science activities, STEM initiatives and sports fixtures, showcasing the diverse talents of our students. Mental Health Month in May was all about BEEing kind – fostering a culture of empathy and support. Walking the Warwick2End as a school team, participating in the Relay For Life, and hosting our Fun Run/Walk were highlights that brought us together and strengthened our sense of community. We do our very best to ensure that we are a private school with a public purpose, engaging with and contributing to the broader community.

At our graduation ceremony, Ms Alison Hill inspired our Year 13 students with her stories and pointers about the future, motivating them to pursue their dreams with confidence. I wish them well as they step into the next phase of life.

We said goodbye to Mrs Jane Vickers in September, and this summer bid farewell to Mr Mark Thorpe as he embarks on his 'adult gap year' and Mr Gary McCullough, Mrs Margo Furbert and Mrs Carol Hassell as they retire.

We remain immensely grateful for WAPTA's engagement, in terms of both bringing our school community together through the Homecoming Fair and in organising many other events and fundraising efforts, which provide significant bursary funding and the extras that enhance the learning experiences of all our students.

I extend my heartfelt thanks to our staff for their continued efforts this year to make Warwick Academy a special place. To our parents, thank you for your unwavering support of what we do, and to those parents who volunteered in one or more capacities, your time and efforts are deeply appreciated.

To all our students, well done on completing another year at Warwick Academy. I trust this yearbook will carry your memories of the year and remind you of the wonderful moments we shared.

Time is definitely flying past. This year in August I will have completed 17 years at Warwick Academy, and in Bermuda - much longer than I ever planned - so I guess there is something to the idea of getting stuck in the Bermuda Triangle.

Even before the students came into school, teachers were busy taking part in professional development with Jenny Mosley, who returned to W.A. ten years on from her first visit. Our aim was to consolidate and 'refresh' our Golden Circle Time model. This model forms the backbone of our behaviour expectations and thus impacts all areas of a child's life at school.

In Term 1 the sustainability committee initiated the collection of fruit and vegetable waste in our Primary quads, and the first 'worm tea' was produced. This group also encouraged the purchasing of reusable cutlery across the school, and have many other projects in mind for the future. Years 1 and 2 children enjoyed their Halloween Party and Years 4, 5 and 6 students showed us their resilience and school spirit as they competed in the house cross-country event. We rounded the term off with our class parties and a wonderful Lower Primary winter concert, 'Sugar Plum'.

In Term 2 it was the turn of our Upper Primary students to shine on stage with their production of *Ali Baba* and *the Bongo Bandits* and our music concert. Years 3 and 4 students enjoyed their valentines' party and Years 5 and 6 students had a fun evening at their 'dance'. We rounded off the term with the annual Easter competition and kite flying. Unfortunately, the wind was not too cooperative this year, but many did get their kites up, eventually.

Term 3 saw sports days across Primary and the Upper Primary swim meet. International Day was a feast of colour and fun. Our Year 4 students took part in the Spring into the Arts event and did a fantastic job. We rounded the year off with our annual Year 6 camping trip, Swaparoo Day and class parties, and, finally, we wished our Year 6 students good luck with their move to Secondary school at our Year 6 celebration assembly.

On top of all the fun and productive events in school, I must congratulate our athletes for their fantastic representation of Warwick Academy at the many inter-school sporting events. We have had a very successful year on the sporting front, and although success is very rewarding, the main takeaway I have is that our students were wonderful role models at these events.

I finish by recognizing the great support parents offer. Each year parents have different opportunities to see the school in action – from our open events like sports days, assemblies, open classroom mornings and various concerts through to volunteering to come in to support during the school day. Parental involvement is invaluable, and we know it can directly impact a student's attitude to their learning and to school. Beyond supporting the school and their child's education directly, parents also support others in our community, from contributing to WAPTA fundraisers and our bursary fund in one way or another, through to allowing their children to come to school in grub clothes on charity grub days and sending in toys and food items for various charity drives. We couldn't do it without you; our heartfelt thanks for all you do!

Treasure this yearbook and the record it is of your child's school experience this year.

Time flies when you are riding the Warwick Academy rollercoaster! It seems like only yesterday we were starting the school year, and here we are now at the end. It is staggering to think of all the things we have achieved this year. Whether it be academics, arts, community service, drama, leadership, music, Warwick Academy has definitely thrived this year.

A huge thank-you goes to all students for playing your part in making this year such a huge success. Yearbooks are cherished keepsakes that you should hold onto for many years. As you flick through the pages, take a moment to reflect on your personal growth and your achievements throughout the year. Set your goals for next year to make it even bigger and better than this year!

Congratulations to the class of 2025! It is with a mixture of sadness and pride that we say goodbye to our graduating class. We are sad to see them go as they have been an important and integral part of our school. However, we are also proud of them as they move on to the next exciting chapter of their lives. They are now the youngest members of our alumni family, and we hope to hear from them in the future about the great things they have achieved!

Thank-you to the staff for everything you do, day in and day out. Your hard work, creativity, and dedication foster a nurturing environment where our students can thrive and excel. Thank you for your relentless efforts.

To parents and guardians, I extend my sincere appreciation for your unwavering support of Warwick Academy. Our partnership allows us to have the best possible outcomes for our students. Finally, to all those who have, directly or indirectly, enriched the lives of our students this year - teaching and non-teaching staff, Board and WAPTA members, coaches and tutors - we extend our sincere thanks.

Success is not the work of one, but the efforts of us all!
This is my final yearbook message as Head of Secondary. Although the next stage of my life is about to start, leaving is also a bit of a wrench. I have loved working at Warwick Academy, and I will cherish the relationships I have formed with staff, students and parents. I will miss the daily interactions I have had with our students. Although my wife and I are heading off on our travels, you will see me around when I am back on the island. I will be sure to pop in and say hello.

"There are seven days in a week and someday isn't one of them."

Mark Thorpe

Student Council

Back Row: Daniel Pumpalov - Vice President (Y13), Èabha O'Hanlon (Y8), Florence Russell (Y10), Nia Mullings (Y11), Elanna Fulton (Y12), Nh'Lae DeRoza (Y12), NyLi Grant (Y11), Geraldine Sidders (Y9)
Front Row: Ayami Wilkinson (Y9), Alexa Correia (Y8), Adrianna Dyer (Y7), Heath Meyers (Y7), Julian Hands (Y9), Diana Bishop (Y10), Lindsay Hayward - President (Y13)

This year, the Student Council made a lively and meaningful impact on our school community. We brought fun and school spirit to a whole new level through Spirit Week with exciting activities like Red Light Green Light, Dress to Impress, the karaoke tradition, and the Teachers vs. Students assembly. We also organised a Movie Night, Christmas Door Decorating Competition and Sports Day snow cones. The funds from these activities were donated to the Salvation Army and SCARS.
We also advocated for the addition of polo shirts to the summer uniform and encouraged respect for school property. We thank all the students for their active participation in our initiatives this year, and wish you all the best as Daniel and I graduate. - Lindsey Hayward

SPORTS AWARDS

NETBALL | VOLLEYBALL | FOOTBALL

MVP | MIP | WBA

A celebration of our secondary athletes who played for the school in BSSF competitions. The awards were for: Most Valuable Player, Most Improved Player, and the Warwick Bear Award. The latter award was granted to those who showed character, integrity, hard work and team spirit - everything we want from our athletes. There was a second award night in June to cover Track & Field athletes.

The Warwick Football Academy (WFA) successfully completed its second season for players aged 4 to 18. The WFA vision is to be a leading, nurturing & inspiring youth football program that provides holistic opportunities for all, by connecting our community and creating the best possible environment to inspire players to their full potential.

For the 2024-2025 season the club registered 350+ players and a total of 23 teams to play in the Bermuda Football Association children's and youth leagues for boys and girls, making WFA the largest youth football program in Bermuda.

The Warwick Academy Cricket Club rebranded this year to the Warwick Cricket Academy, reflecting the amalgamation of the partnership with Warwick Workmen's Club to support the growth of youth cricket in Bermuda and provide a pathway for young players to progress within the sport.

The newly formed program offers experiences for boys and girls that range from introductory programs at Pee Wee for 4-6 years old, developing teams for those players aged 7 through 12 years, and competitive cricket for the focused player aged 13 through 15. Older players have the opportunity to integrate into the senior men's team at Warwick Workmen's Club to continue their development.

WCA has 7 teams participating in the Bermuda Cricket Board youth leagues this season across the 7s, 9s, 12s, and 15s age groups. This year we kicked off the start of cricket season with a cricket camp over the March spring break, featuring former Trinidad & Tobago national coach David Furlonge and Bermuda cricket legend Janeiro Tucker. The camp was the first of what is hoped to be a steady flow of year-round training options for players keen for the sport.

The new Hunter Pavilion, along with upgrades to the cricket nets, has created a buzz amongst the players and supporters of the cricket program. The pavilion provides welcomed shaded viewing areas for the players & spectators, along with bathrooms, changing rooms, and kitchen facilities.

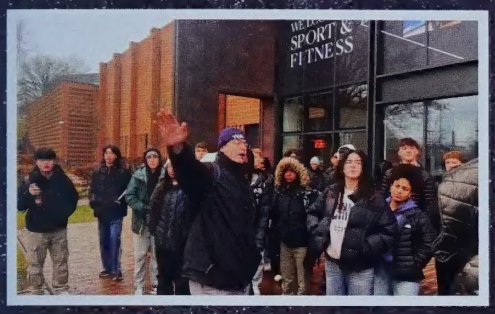
Y8 SCIENCE FAIR

Uk Uni Trip



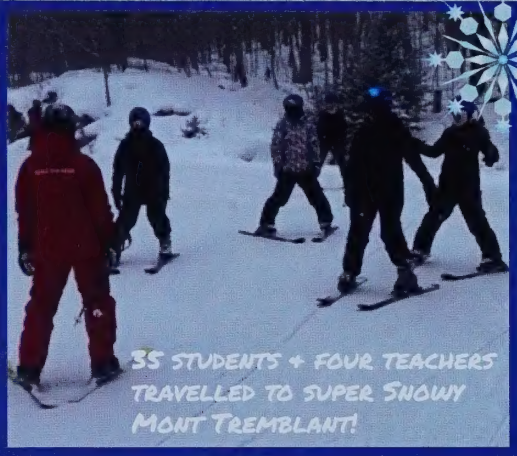
Another successful University trip saw our largest group ever travel around the UK from Plymouth to Edinburgh and Glasgow to Canterbury. In fact, the group was so large that we had to split into two different flights to get between Bermuda and Heathrow. Mr. Woods' highlights were two universities he hadn't been to before, Stirling in Scotland and the University of Football management inside Wembley stadium.

YII SKI TRIP KILLINGTON

Y8 Ski Trip

Mont Tremblant

Enjoying frozen maple syrup and beaver tails

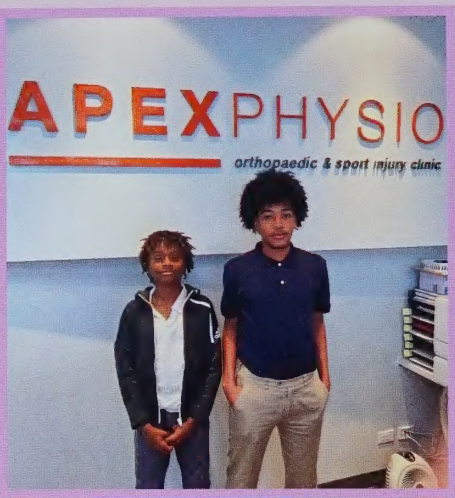


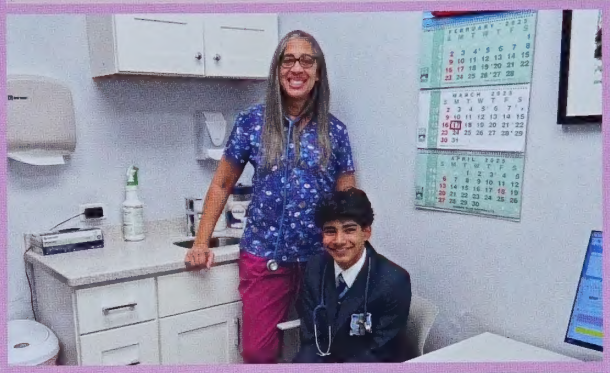
35 students + four teachers travelled to super snowy Mont Tremblant!

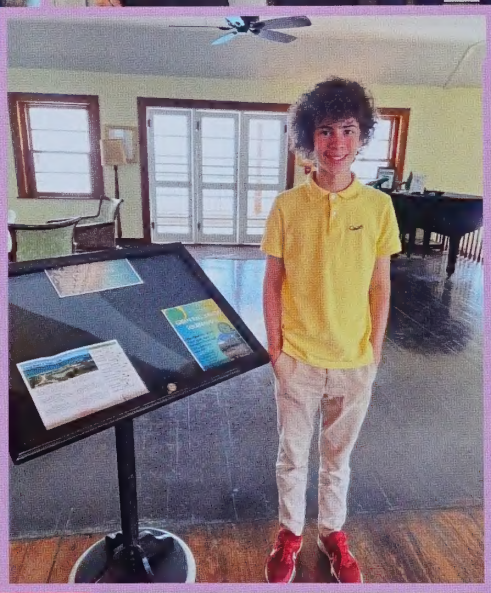
We had excellent ski conditions + ski instructors, ate lots of delicious food and shared many laughs. For quite a few of the students, it was their first time even seeing snow!

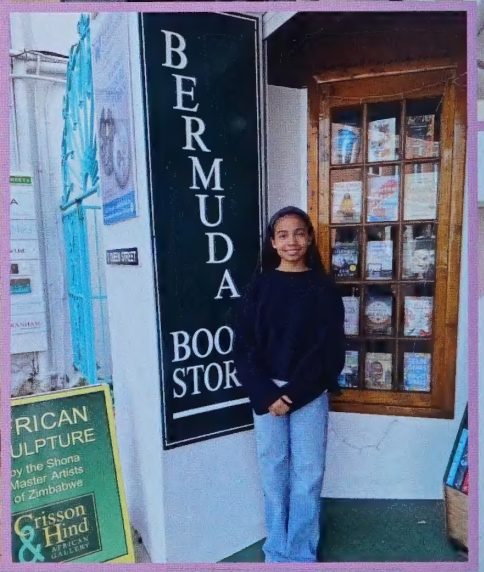
We had quite an adventure in the City of Montreal, navigating public transportation to get to indoor rock climbing.

Work Experience









Love your life.

With BF&M you can.

At BF&M, our goal is to help you live the best life you can. Whether that's protecting your bike, car or belongings, or getting you started on a financial plan. Keep up the good work—and keep on loving life.

Visit us online at bfm.bm. You can pay by card and in instalments—even for your bike or car.

HEAD OF SIXTH FORM

Dear Readers,

Another year has flown by at break-neck speed with three terms full to the brim with a wide variety of activities and events, as well as the academic requirements of the IB and BTEC programs. The Barber Hall common room certainly felt a lot fuller in September with the influx of a new Year 12, but we soon got used to each other, even if we did tend to stay on our own side of the common room / bike parking area / kitchen. With a total of 118 students, we were certainly full and Celebration Assemblies have been a bit of a squeeze, but we all managed to 'play nicely' most of the time. As always, the end of the academic year does mean that it is time to say goodbye to our graduating class of 59 students. I wish the Class of 2025 all the best as they go into adult life and trust that they find some time to relax over the summer before they venture out to populate the higher educational institutions of the world. I am sure they will take many fond memories with them and have made friendships that will endure for years to come.

Throughout the year, the Sixth Form continued to be busy both with our own endeavors and with those of the broader school community. We showed our school spirit in Barber Hall, not just during Spirit Week, but with the school fair, WAPTA bingo and helping out at whole school events. Christmas Karaoke lunchtimes, games of War, the Sixth Form lock-In and the great Easter Egg Hunt were just some of the things we got up to. Throughout the final term of the year, the new student leadership team and the rest of the Year 12 student body have got fully stuck-in to Sixth Form life. We have had International Day and the Warwick Academy Fun Run and have seen students represent the school and Bermuda in basketball, football, volleyball, running and other sports. We have also been heavily involved in charity events that keep us fit, having participated in the Convex End-to-End and Relay for Life. This year many Sixth Form students were involved with the school production Grease, both on stage and backstage. To finish the year, we have a group of students going on the university trip to Canada, having already sent 35 students to the UK for a similar trip in February. This was the largest group we have sent on this trip, and we actually had to take two different flights to fit us all on the plane. The experience should prepare us nicely for what is to come in September and beyond.

My thanks go to the staff at Warwick Academy for their hard work, enthusiasm and dedication to the success of all our Sixth Form students. I would like to extend my thanks to Sara Jackson (Director of Sixth Form Studies); Shelly Grace (Assistant Head of Sixth Form); Stefanie Sinclair (IB DP/CP Core Coordinator); and our team of Sixth Form homeroom tutors for going the extra mile to ensure our students are successful, as well as for putting up with my many quirks and eccentricities. There are going to be some changes to the Sixth Form management structure next year, so whilst it will be sad to 'break-up the team', I look forward to forging new partnerships with both staff and students in September.

I hope that everyone has a great summer and that next year we can have an even broader spectrum of events in the Sixth Form to continue to make Warwick Academy more than just a place to learn.

Ralph Woods
Head of Sixth Form

Warwick Academy

Dear Warwick Academy,

The 2024-25 year brought new and returning members of the Yearbook Committee together ending with 10 committee members! During thursday lunches we would meet and try and fit in the physics prep room to schedule photographers, work on designing the theme of the yearbook, and put pages together. We fell in love with the idea of a 3D looking Locker cover, and have tried to make most of pages feel like chalkboard with doodles.

We'd like to thank the Development team, club leaders, sports coaches, and everyone else who provided contributions whether support, ideas, or photos!

grazie спасибо 谢谢 GRACIAS THANK YOU ありがとうございました DANKE OBRIGADO धन्यवाद شُكراً MERCI

Thanks,
Ari, Diego, Jack, Jai, Josh, Lily, Myles, Rhys, Starr, Sophia.
P.S. Can you tell who likes to be in photos 😋

SO MUCH MORE THAN A PLACE TO LEARN.
